

BURSARY FUND APPEAL

We appeal to past and present parents of BBS to consider a donation to our Bursary Fund. The Tuition Reduction Bursary Scheme supports an academically talented child whose parent/s' or guardian/s' financial circumstances would usually prevent them from attending Berlin British School. This initiative will help to enrich our school community and is in keeping with our school ethos to support the less fortunate.

A gift of just 20 Euros a month from 52 individuals would support a BBS student through school.

We welcome all donations from individuals or corporations in the form of a single gift, however small, or a regular donation by standing order.

Please contact the Fund Manager, Cornelia Mueller on cornelia.mueller@berlinbritishschool.de or call 030/35109 305 for a donation form.

All donations are tax-deductible.

We will be happy to supply a Spendenbescheinigung.

Thank you, in advance, for your donation.
